

## “See you again” - Wiz Khalifa feat. Charlie Puth

*See You Again* è un brano musicale del rapper statunitense **Wiz Khalifa**, in collaborazione con il cantante statunitense **Charlie Puth**.

Il brano fa parte della colonna sonora del film d'azione *Fast & Furious 7*, scritto come tributo all'attore **Paul Walker**, morto in un incidente stradale nel novembre del **2013**.

Il brano mi è piaciuto molto perché è stato dedicato al mio attore preferito, protagonista della serie cinematografica “Fast and Furious”.

### SEE YOU AGAIN

It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
When I see you again  
Damn who knew all the planes we flew  
Good things we've been through  
That I'll be standing right here  
Talking to you about another path I  
Know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up look at things different see the bigger picture  
Those were the days  
hard work forever pays  
now I see you in a better place  
How could we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gonna be with me for the last ride  
It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
when I see you again  
First, you both go out your way  
And the vibe is feeling strong and what's  
Small turn to a friendship  
a friendship turn into a bond  
and that bond will never be broke  
and the love will never get lost  
And when brotherhood come first then the line  
Will never be crossed established it on our own  
When that line had to be drawn  
and that line is what we reach  
so remember me when I'm gone  
How could we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gonna be with me for the last ride  
So let the light guide your way  
hold every memory as you go  
and every road you take  
will always lead you home  
It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
When I see you again
